

What do you do when one brother destroys your world and the other has the power to make it all right again? Alyssa Camden ran after her ex, Eric Lewis, flipped her world upside down leaving her with absolutely nothing. After finding herself living in a dump of an apartment and working nights as a cocktail waitress in a sleazy bar, Alyssa was tormented by the past. That was until Cameron Lewis walked in and flipped her world upside down AGAIN. As the new owner of the bar Alyssa worked at, she didn't know whether to run or give Cameron a chance until Eric showed up and made things even more complicated. Being torn between Eric, her first love, and Cameron, who was quickly stealing her heart, Alyssa doesn't know where to turn. Do Cameron and Alyssa even stand a chance together with Eric back in the picture? Can Alyssa move past the tragedy of the destroyed relationship between Eric and herself to find love again? Who will she choose, Eric or Cameron? **WARNING: CONTENT INTENDED FOR AGES 18+!!!**
