

Its hard to adjust to the trials and tribulations of college when youve been the focal point in a web of intrigue and murder. Christina Parker, now a student at a small liberal arts college in central Arizona, is still trying to forget the man who took her through hell and back two years ago. She was doing just fine, too, until said man appeared again, out of the blue. On the doorstep of her new apartment. Unconscious. Suddenly, the brittle semblance of normality that Christina managed to construct after all this time is shattered. With a wounded man to contend with and the prominent threat of the ruthless IMA, Christina is forced to face all her old fears head-on. ...But this time, shell be doing it on her own terms.
