

This Halcyon Classics ebook contains three works by screenwriter and novelist Leigh Brackett. Brackett (1915-1978) wrote dozens of works during a nearly forty-year career, including screenplays for *The Big Sleep* (1945), *Rio Bravo* (1959), *The Long Goodbye* (1973) and *The Empire Strikes Back* (1980). Brackett was a versatile writer, penning space opera like **BLACK AMAZON OF MARS**, along with detective stories, westerns, and other works. Much of her science fiction was set in a fictional Earth solar system with Mercury, Venus, and Mars all inhabited and earth-like to some degree. This ebook is DRM free and includes an active table of contents for easy navigation. *Black Amazon of Mars* A World is Born This unexpurgated edition contains the complete text, with minor errors and omissions corrected.
