

[M/M Erotic Romance] To uphold peace between werewolves and vampires, Devlin Morgan, werewolf, must return the body of a deceased vampire princess to her coven. When he arrives he discovers Prince Zacarius Ivinovav, the ruling prince and brother of the vampire princess. The attraction between the two men is instant, but their love is forbidden. Vampires and werewolves have been enemies for nearly 500 years, ever since the Great War. But Devlin and Zacarius are unable to fight their desire for each other and eventually give in. They're torn by their emotions, but they'll have to work things out in time to save Zacarius from a violent stranger. Can they ever be together, or will the animosity between werewolves and vampires lead to the end of their mating? A Siren Erotic Romance
