

They can't deny the attraction or the danger. Since losing their beloved third to cancer, Keith Masters and Johnny Lou Reed haven't thought about filling the void in their lives with anyone else. Until a stormy Christmas Eve, when a half-frozen, newly discharged Army Ranger shows up on their doorstep with no memory of who he is or how he got there. The former Marine in Keith is suspicious that he can't turn up any information about Shane anywhere, not even an address. Direct questioning will have to wait until they've gotten the boy well. Shane knows it's only a matter of time before Keith and Reed figure out his past. And when they learn the depth and the darkness of the secrets he holds, he could get them all killed. In the heat of the dark winter nights, the three men discover a passion that heals the gaping wounds in their hearts. And Shane wonders, despite the danger hot on his heels, how he will ever bear to leave. Warning: Contains secrets, undercover operations and three hot, alpha military men who can set a cold winter night on fire.
