

Baniass is a city that has seen almost every age of history pass through it: from Canaanite times, via the Romans and the Crusades, to its eventual destruction in the 1967 Six Days War. John Francis Wilson brings us the first continuous history of this fascinating city. Herod, Vespasian, Saladin and even Mark Twain have all left their mark on the city of Pan, whose story can now be brought to the general reader for the first time. John Francis Wilson has had complete access to the site and has drawn upon a wealth of sources in order to provide the first comprehensive history of this remarkable city. Baniass important role in political, military and religious developments has long been deserving of a continuous narrative that takes in the full spectrum of the city's history. With the publication of this book, Baniass story can be read by both the scholar and the general reader alike.
