

This book contains the written submissions for the Copenhagen Competition 2011 on Access to Food, organized and hosted by the Faculty of Law at the University of Copenhagen. The Copenhagen Competition is an international negotiation competition for law students and the written submissions give insight primarily into the legal analysis of the topic Access to Food. The submissions are high quality and include teams from the worlds top universities. It is the aspiration of the Copenhagen Competition that the written submissions will be used to inspire governments around the world.
