

This is the first practical guide for every citizen on the problem of corporate personhood and the tools we have to overturn it. Jeff Clements explains why the Citizens United case is the final win in a campaign for corporate domination of the state that began in the 1970s under Richard Nixon. More than this, Clements shows how unfettered corporate rights will impact public health, energy policy, the environment, and the justice system. Where Thom Hartmann's Unequal Protection provides a much-needed detailed legal history of corporate personhood, Corporations Are Not People answers the reader's question: What does Citizens United mean to me? And, even more important, it provides a solution: a Constitutional amendment, included in the book, which would reverse Citizens United. The book's ultimate goal is to give every citizen the tools and talking points to overturn corporate personhood state by state, community by community with petitions, house party kits, draft letters, shareholder resolutions, and much more.

Comprehensive Gynecology Review, 4e, Un tercer plato de Sopa de Pollo para el Alma: Nuevos relatos que conmueven el corazón y ponen fuego en el espíritu (Chicken Soup for the Soul) (Spanish Edition), The Professor Woos The Witch (Nocturne Falls Book 4), Bad Men Do what Good Men Dream: A Forensic Psychiatrist Illuminates the Darker Side of Human Behavior, Leopards (African Animals), Released (The Nogiku Series) (Volume 2), The Secret House, Intentional Living - How To NOT Die With Regrets By Living A Life That Matters, Pilgrim at Tinker Creek,

its birth the aristocracy of our monied corporations, which dare. Corporations Are Not People: Why They Have More Rights Than You Do and What You Can Do About It.
