

A Leslie Kelly story set in New York Times Bestselling Author Carly Phillips Dare To Love Kindle World! Marcus Big Bigsby is retiring after a successful NFL career, ready for a quiet, simple life on a ranch in Oklahoma. But his plan to forget the past is rocked when he comes face-to-face with his high school dreamgirl, the one who got away...the one he never forgot. Blair Tremaine has heard Marcus is living in tiny little Caribou, but she's done her best to avoid him. She's been crazy about him in high school, but they'd always seemed miles apart--she the bookish rich girl, he the football-playing farmboy. Now they're thrown together again, and this time nothing will stop them from finally getting what they've always wanted: each other!
