

We've all heard the stereotypes about women who marry into money?they're gold diggers, they don't care about love. The fact is, there are plenty of fabulous men out there who happen to be wealthy, and someones going to marry them. If you're a smart, sophisticated, independent woman looking for love, why shouldn't it be you?J. Courtney Sullivan has created a guide for women everywhere who have worked hard to get where they are in their lives and their careers and deserve to be challenged, excited, and supported?financially and otherwise?by the men in their lives. It's not anti-feminist?it's knowing what you need from a partner and demanding the entire package. With tips on everything from top 10 products for under \$10, 8 types of rich men to avoid, and 9 essential clothing items that no girl should be without, **DATING UP** will help women attract the right kind of man.
