

Published under the pseudonym, Clive Hamilton, *Spirits in Bondage* was C. S. Lewis first book. Released in 1919 by Heinemann, it was reprinted in 1984 by Harcourt Brace Jovanovich and included in Lewis 1994 *Collected Poems ~ A delightful Read*. About the Author Clive Staples Lewis (29 November 1898 – 22 November 1963), commonly referred to as C. S. Lewis and known to his friends as Jack, was a Northern Irish academic, medievalist, literary critic, essayist, and Christian apologist. He is also known for his fiction, especially *The Screwtape Letters*, *The Chronicles of Narnia* and *The Space Trilogy*. Lewis was a close friend of J. R. R. Tolkien, the author of *The Lord of the Rings*. Both authors were leading figures in the English faculty at Oxford University and in the informal Oxford literary group known as the Inklings. According to his memoir *Surprised by Joy*, Lewis had been baptised in the Church of Ireland at birth, but fell away from his faith during his adolescence. Owing to the influence of Tolkien and other friends, at about the age of 30, Lewis re-converted to Christianity, becoming a very ordinary layman of the Church of England (Lewis 1952, p. 6). His conversion had a profound effect on his work, and his wartime radio broadcasts on the subject of Christianity brought him wide acclaim. Later in his life he married the American writer Joy Gresham, who died of bone cancer four years later at the age of 45. Lewis's works have been translated into more than 30 languages and have sold millions of copies over the years. The books that comprise *The Chronicles of Narnia* have sold the most and have been popularized on stage, in TV, in radio, and in cinema. John Bunyan (28 November 1628 – 31 August 1688) was an English Christian writer and preacher, famous for writing *The Pilgrims Progress*, arguably the most published book besides the Bible. In the Church of England, he is remembered with a Lesser Festival on 30 August. *The Holy War Made by King Shaddai Upon Diabolus, to Regain the Metropolis of the World, Or, The Losing and Taking Again of the Town of Mansoul* is a 1682 novel by John Bunyan. This novel written in the form of an allegory, tells the story of the town Mansoul. Though this town is perfect and bears the image of Shaddai (Almighty), it is deceived to rebel and throw off his gracious rule, replacing it instead with the rule Diabolus. Though Mansoul has rejected the Kingship of Shaddai, He sends his son Emmanuel to reclaim it. Now there were three esteemed men, who by admitting Diabolus to the city lost their previous authority. The eyes of Understanding the mayor are hidden from the light. Conscience the recorder has become a madman, at times sinning, and at other times condemning the sin of the city. But worst of all is Lord Willbewill, whose desire has been completely changed from serving his true Lord, to serving Diabolus. With the fall of these three, for Mansoul to turn back to Shaddai of their own will, is impossible. Salvation can come only by the victory of Emmanuel. The entire story is a masterpiece of Christian literature, describing vividly the process of the fall, conversion, fellowship with Emmanuel, and many more intricate doctrines. Aiden Wilson Tozer (April 21, 1897 - May 12, 1963) was an American Protestant pastor, preacher, author, magazine editor, Bible conference speaker, and spiritual mentor.[1] For his work, he received two honorary doctorate degrees. Among the more than 40 books that he authored, at least two are regarded as Christian classics: *The Pursuit of God* and *The Knowledge of the Holy*. His books impress on the reader the possibility and necessity for a deeper relationship with God. Living a simple and non-materialistic lifestyle, he and his wife, Ada Cecelia Pfautz, never owned a car, preferring bus and train travel. Even after becoming a well-known Christian author, Tozer signed away much of his royalties to those who were in need.

*The Pretend Marriage: A Werewolf Romance*, *La Rebelion de Atlas* (Spanish Edition), *Waverley Novels: The Fortunes Of Nigel*, *Como Dibujar Comics: Comida* (Libros de Dibujo n? 13) (Spanish Edition), *The Seventh Sense - Your GPS to the Cosmos*, *The North Carolina Lawn Guide: Attaining and Maintaining the Lawn You Want* (Guide to Midwest and Southern
