

First Blood, Second Opinion and Third Degree by Claire Rayner - the first three Dr Barnabas Mysteries in one e-book FOR YOUR KINDLE About First Blood: Dr Barnabas is the new pathologist at a big inner city hospital. She is also a police surgeon - and the first woman to hold either post. Her first post-mortem is on a well-known author, with all the attendant media circus. But trouble starts when she cannot find a cause of death. About Second Opinion: This is the second in the medical mystery series, featuring Dr Frederica Barnabus, the forensic pathologist and police-surgeon at the Old East Hospital. In this story she is involved in investigating the harrowing case of suspicious deaths of small babies in the Maternity unit. About Third Degree: A severed leg is found, but there is not much the police or their pathologist George Barnabus can do. After two further deaths Georges suspicions are aroused, and when her lover, Chief Inspector Gus Hathaway, finds himself in trouble, George begins to unravel a dangerous crime.
