

Sin duda una de las mas famosas y mejores obras de William Shakespeare (1564-1616), EL MERCADER DE VENECIA se estructura en torno a la anecdotita del fracaso de un aval y la sanguinaria reclamacion del usurero Shylock, y la relacion amorosa entre el noble Bassanio y Porcia, rica y hermosa huerfana. Pese a estar tenida del antisemitismo propio de la epoca, el judio Shylock se revela como uno de los grandes tipos shakespearianos y el personaje de mas fuste y vigor de la obra. Y si las tres parejas de amantes que acaban felizmente unidas en el ultimo acto representan el lado amable del drama, para nuestros tiempos apunta en su prologo Vicente Molina Foix son los personajes del arruinado y derrotado Shylock y de Antonio, el mercader de Venecia, tan desdichado al final con su ganancia como el judio con su perdida, los autenticos protagonistas del mismo.
