

Melissa decides to teach her sexist lay-about boyfriend a lesson. Angelo finds himself locked into a chastity belt, locked in high heels, enduring female domination, forced feminization, regular punishment and slavery at the hands of the devious Samantha in Femdom : The Exs Revenge* This is a 20,000 word novella, please be aware Sabrina does like to include free excerpts of her other works and that is why the file size appears large.

Femdom: The Exs Revenge is a sequel to The Tormentress & the Boss. In Femdom : The Exs Revenge, Angelo is a male chauvinist pig... Hes lazy, overbearing and ignorant. When he dumps his girlfriend Melissa because she refuses to wear high heels and have breast implants he doesnt realize the repercussions his actions will have. Melissa goes to work at Fisher Creative and her new employer Samantha Fisher upon hearing about Angelo agrees to help her reap a terrible revenge. Angelo is employed, hypnotized, feminized, chastised and forced to service several of these dominant women who are all out to teach him the power of femininity.

He ends up with polypropalene breast implants and locked into a steel pair of high heel shoes - meaning the shoe is now definitely on the other foot. When he ends up in a special chastity belt which gives his owners the ability to push button castrate him at any time his obedience is assured... Eventually Melissas revenge is complete and Angelo is completely tamed... When it comes to it, what fate will Melissa choose for poor Angelo? And how will he adapt to his new life? This is a very adult, femdom themed, forced feminization fiction fantasy story, which is unsuitable for under 18s. It features themes of female domination, male chastity, forced feminization, and orgasm denial. All characters in this story are consenting, this story is pure fantasy and not within the realms of realism. If youre looking for male chastity within the realms of realism, I urge you to look at the works of Sarah Jameson whose chastity and cuckold fiction and male chastity guides are excellent.
