

The fighting season in Afghanistan is that strange annual pattern of the local fighters who re-emerge every year, apparently undaunted. So there is something wry about these reflections, by a much-admired British parachute officer, on the real-life experience of our country mission to promote democracy and cut off terrorism in Afghanistan - and of the extraordinary resilience of the Army's enemy there. From the shock of a soldier whose friend has just been blown up next to him, to the adventure of being in a vast country, and the tension between a soldier's wish to fight, his fears, and the administrative or political problems that prevent him from doing so, *Fighting Season* provides a significant and accomplished account of a soldier's experience of the Afghan campaign.

The Man on Maos Right: From Harvard Yard to Tiananmen Square, My Life Inside Chinas Foreign Ministry, Madison Girls, De taak van de kerk bij de huwelijksluiting: Een onderzoek naar de geschiedenis van de kerkelijke huwelijksinzegening, vooral onder het aspect van de sacramentaliteit (Dutch Edition), On Liberty, Guatemala: the land of the quetzal;: A sketch, 3D Fraud Risk Assessment Model: DInevs SMARTGuide, The Pilgrims Progress...,
