

Jeremiah Young has been Callie Lewis's full-on crush from the time she was a freshman in high school and he tutored her in Math, now they are both grown ups trying to find their way in the world. Can she convince herself he is her Forever Kind of Cowboy before he walks away? Jeremiah does the finances for Thunder Ridge. He's managed to build quite a little nest egg for himself and his family over the last few years with smart investments, but he wants to make sure he can take care of a family before he puts his feet in that pool. Callie has been a friend all these years so when did she grow up to be a gorgeous woman? Can two stubborn, individualistic people come together to build a lifetime of love or will their pride and goals get in the way of a forever kind of love?
