Goldi Lycan's life is falling apart; her dad's gone wild wolf, her house is under threat of foreclosure, and the only one she can turn to for help in saving the ranch is her high school boyfriend, bear shifter Zeke Beresford, who has never forgiven her for crushing his heart. Zeke has a secret. He's never stopped loving Goldi, or forgotten their steamy nights together. When Goldi is injured in a Rocky Mountain blizzard and takes shelter in Zeke's empty house he arrives home to find her in his bed. This is the opportunity he's been waiting for. This time around, he won't let the beautiful she-wolf slip through his paws. But Goldi knows her missing father will never forgive her for loving a bear and while she's still searching for him, terrible things are happening at the ranch and the time to pay off the mortgage and save the ranch is sliding away. Can Zeke convince his true mate that they really can succeed against all odds? Lions and wolves and bears, oh my.
