

A new edition of Continuum's best selling book revised and amended to address all the issues of the forthcoming Referendum and the publication of the new EU Constitution. The first edition of *The Great Deception* was one of Continuum's biggest selling books. It told the true story of the origins and history of the European Union- revealing all the deception and skulduggery involved. Now with the publication of the new European Constitution, Christopher Booker and Richard North have condensed some of the early history in order to make space for an examination of the new European Constitution and to argue that in it are all the tricks and traps at the heart of this European Idea and the disastrous consequences.

Elizabeth, *Within And Without: And A Hidden Life*, *Little Sister* (Cleos Story - A Companion Novel to *Been So Long*), *Food as Medicine: The Theory and Practice of Food*, *Trade Secrets: Christmas: Everything You Need to Know to Get Through Christmas!*, *The First Lives of Alfredo Catalani*, *The Shadow World*. [New York & London],

Now published with a new preface explaining why *The Great Deception* is of the utmost importance today as it was when it was first published and to. Europhiles as well as EU-critics will find the book illuminating.
