

Jane Eyre: An Autobiography) is a novel by English writer Charlotte Brontë. It was published on 16 October 1847 by Smith, Elder Co. of London, England, under the pen name Currer Bell. The first American edition was published the following year by Harper and Brothers of New York. Primarily of the bildungsroman genre, Jane Eyre follows the emotions and experiences of its title character, including her growth to adulthood, and her love for Mr. Rochester, the byronic master of fictitious Thornfield Hall. In its internalisation of the action—the focus is on the gradual unfolding of Jane's moral and spiritual sensibility, and all the events are coloured by a heightened intensity that was previously the domain of poetry—Jane Eyre revolutionised the art of fiction. Charlotte Brontë has been called the first historian of the private consciousness and the literary ancestor of writers like Joyce and Proust. The novel contains elements of social criticism, with a strong sense of morality at its core, but is nonetheless a novel many consider ahead of its time given the individualistic character of Jane and the novel's exploration of classism, sexuality, religion, and proto-feminism.

Quentin Blake's ABC, Electronic Devices: Conventional Flow, The Hands of the Buddha: The Dhammapada, A Modern Interpretation, The Case Of The Drowsy Mosquito (U), Buried Treasures In The South, The Complete U.S. Army Survival Guide to Foraging Skills, Tactics, and Techniques, Walkabout (Bulls-eye), Images of St. Louis, Her Dark Angel (Her Angel Romance Series Book 1), Black Smoke: A Woman's Journey of Healing, Wild Love, and Transformation in the Amazon,
