

Sierra came to Sunset Beach for relaxation—not for world-class surfing and certainly not for romance! When a wealthy friend offers Sierra Jensen a vacation at an oceanfront beach house, she envisions a quiet retreat where she can plan her next move. Instead, she arrives at the start of the noisy surfing competitions and is surprised to learn that her friend had an ulterior motive—namely, introducing Sierra to Jordan Bryce, the tenant staying below them. Jordan is a photographer whose lens and attention are focused on the surfers, and he is not willing to let anyone get in his way of landing the next cover shot for Surf Days magazine. Sierra and Jordan came to Sunset Beach looking for different things. But as the surf pounds the North Shore, will they discover something better than either of them had imagined?
