

Everyone loves chibi, the newest, hottest manga style out of Asia. Chibi's characters that range from hypercute miniature people to bizarrely sexy furry characters come in all varieties, all roles, including chibi teenagers, faeries, schoolgirls, nurses, mermaids, devils, angels, and everything in between. Now Christopher Hart, the world's best-selling author of cartoon and drawing titles, shows readers exactly how to draw chibis, infusing them with personality and creating authentic costumes for them. Cute chibi-style monsters (small yet powerful), appealing cat-girls (humanlike, but with feline traits), superdeformed manga/chibi characters (used to make funny wisecracks) every type of chibi character is shown here in crystal clear, step-by-step drawings. Manga Mania Chibi and Furry Characters will get every manga fan in on the chibi fun.
