

Have you ever had a pet that left indelible pawprintsâ€™ or hoofprintsâ€™ on your heart? Pets weâ€™ve rescuedâ€™ that rescued us, as wellâ€™ and animals that maybe werenâ€™t so much â€™petsâ€™ as â€™acquaintancesâ€™ whoâ€™ve taught us a thing or twoâ€™! The third edition of our successful series, Memories From Maple Street, U.S.A.â€™ Pawprints On My Heart, is chock full of stories about special pets weâ€™ve had. These tales evoke loving memories of days gone by when these animals played a huge part in our livesâ€™ either as pets we had as children, or as adults. Who knew a miniature donkey could bring such joy, or a runaway monkey such laughter? A trip to the vet leads to a car wreck and chaos when a cat escapes his carrier, and a determined mom decides to try her hand at hatching duck eggs with a homemade incubator. Youâ€™ll find these and many other tales in this wonderful collection of true stories that you will want to read and share! Anatole France once said, â€™Until one has loved an animal, a part of oneâ€™s soul remains unawakened.â€™ This collection of true animal stories will serve to prove him right!
