

Faconne par la mer et le desert, le pays est couvert en grande partie de montagnes qui offrent au regard leurs formes tantot apres, tantot voluptueuses, et leurs flancs ocres en parfaite harmonie avec les villages en pise qui sy accrochent. A cote des cites imperiales prestigieuses de Fes, Meknes, Marrakech et Rabat, riches en monuments superbement decorees, des medinas cotieres, telles Essaouira et Asilah, ont conserve leurs maisons blanches donnant sur des ruelles ou se profilent les ombres mouvantes des femmes drapees. Les kasbahs de terre rouge entourees doliviers, les oueds bordes de lauriers-roses, les villes encloses dans des remparts fleuris de bougainvilliers, les souks remplis dodeurs et de bruits contrastent avec les etendues desertiques et les dunes du Grand Sud ou les stations balneaires modernes. De meme, les petits sanctuaires perdus dans limmensite du paysage semblent appartenir a un autre monde que celui des vestiges de la Rome antique a Volubilis ou celui de la grandiose mosquee de Casablanca.
