

Olwyn was a man like any other: a young school master in a private school who teaches history. Until one day he meets a man who is not at first who he appears to be, and Olwyns life is forever changed. After a strange encounter in the local pub, Olwyn falls asleep by a nearby stream. As he wakes up, however, he realizes that hes not where he fell asleep at all - its now fifteen centuries earlier, and Olwyn is stuck in the sixth century. As Olwyn struggles to find his way back home, his adventures lead him to the company of an advisor to King Arthur, an officer of the kings army, and a woman who steals his heart. Diligently researched and compellingly written, this intoxicating historical fantasy will transport you too into a different world. Author Gwyn Kemp is a history buff and was inspired to write Olwyns Dream after reading a unique treatise on the life and times of King Arthur. Other historical projects include numerous documentaries on subjects such as the real Robin Hood, the history of Adelaide, Australia, and the eruption of Mount Tarawera. He plans to continue writing and filming documentaries, and hopes to write more historical fiction. He currently lives in Tasmania with his wife.

The Only One Who Matters, The Brief History of the Dead, Choosing Green: The Homebuyers Guide to Good Green Homes, The History of Weapons (Major Inventions Through History), Perilous and Fair: Women in the Works and Life of J. R. R. Tolkien, Germinal (French Edition),
