

The book introduces us to Sinatras life and art seen from an unconventional point of view: Olâ€™™ Blue Eyesâ€™™ prodigious appetite for alcohol. Drinking was an integral part of his character, his lifestyle and (by extension) his creative output. This book also functions as a practical cocktail manual, containing more than 30 detailed recipes for preparing and presenting fancy drinks he was known to enjoy himself; as well as providing information on some of Sinatraâ€™™s own personal drinking lore and some of the traditions he followed or inspired. There are also accounts of some of his favorite watering holes (from legendary saloons such as Toots Shorâ€™™s and Jillyâ€™™s to Villa Capri or Monteâ€™™s Venetian Room), profiles of famous drinking buddies (such as Humphrey Bogart or Mike Romanoff) and a selection of drinking stories. The book begins with an essay looking at the role drink played throughout his life and ends with a consideration of his most enduring personaâ€™™”The Last Saloon Singer. In between there are chapters on Classic Bourbon drinks, the Martini, Exotic Booze, Hangover Remedies and The Rat Pack.

Blame it on Cupid, Prentice Hall Nursing Reviews & Rationales: Pathophysiology, 2nd Edition, Damn Near White: An African American Familys Rise from Slavery to Bittersweet Success, Project Management Basics Explained, Locus Origin: Evolution Series (Volume 1),
