

PART 2: From Cairo to Nairobi Follow us on our amazing trip through Africa! We tell our very personal story on how we managed to get through Africa by camper van. In this part we tell our story from Cairo until arrival in Nairobi, about our adventure at the ferry at Lake Nasser, our experience with the Lip Plate People in Ethiopia and our fight on Africa's Roads.. We were close to turn back to Europe, but managed to continue. We intended to make the trip until Cape town in 4 month, after three years now we are still traveling in Africa. Read how everything in our life changed and how it turned out. About 108 pages with lots of photographs.
