

Princess Juliana Airport in St. Maarten is widely regarded as an aircraft spotters Mecca. Maho beach is the most popular place to enjoy and spot airplanes and located under the approach path of Runway 10. The most famous picture should be the one that a large airplane (KLM's Boeing 747 or Air France Airbus A340) is making a low approach over the beach above the visitor's heads and dreamed about to visit this location one day. However, Princess Juliana Airport is surrounded beautiful Coral Sea and bright green mountains. A few ten minutes drive will take you to a photogenic location you can see a beautiful airplane taking off with the scenic landscape. This guide is to introduce some good spot for viewing or taking photos of airplanes in St Martin Island.
