

Jordan Alvarez knew that a promise to her best friend involved staking out the local wolf packs scenting ceremony and recording the graphic details. No one would know that four human women had sneaked proof of their rituals-or that was the plan until Aric Wolfe showed up. Aric Wolfe knew his baby sister was up to something, and he expected her best friend, Jordan, to be in on the chaos. Jordans scent called to both the man and the animal, and he was done fighting the call of the beast. It was time to mark his mate. When a good intention creates a problem for the Wolfe family, Jordan finds herself being stalked by a woman intent on claiming Aric as her own. Battle lines will be drawn, and two alpha hearts seeking control will either find the balance or risk losing their love forever. Contains mature themes.
