

I was a dead woman. I'd finally had a glimpse of true love, admiration, and the kind of devotion only your soul mate, your other half, could provide - until it was physically ripped away. Taken. My stalker had me, and there was little hope I'd be found. I knew Chase would use all his money and resources to search the ends of the Earth for me, but I knew the monster I was dealing with. Years of looking into the eyes of pure evil gave me the unique experience to know that my situation was dire. If Chase didn't find me soon, I'd be gone forever. Contains mature themes.
