

Is that a wooden stake in your pocket, or are you just happy to see me? After five years in eastern Europe using his unique, inborn skills to slay bloodsuckers, Gabe is back in his hometown Chicago and feeling adrift. Until he's kidnapped by a young, sexy vampire who seems more interested in getting into his pants than biting into his neck. Harvey Feng is one-half Chinese, one-hundred-percent vampire. He warns Gabe to stay out of the Windy City, but somehow he isn't surprised when the young slayer winds up on his doorstep. And why shouldn't Gabe be curious? A vegetarian vampire isn't something one sees every day. Against their better judgment, slayer and sucker succumb to temptation. But their affair attracts unexpected attention. When Chicago's Vampire Boss makes Gabe an offer he can't refuse, the unlikely lovers are thrust into peril and mystery in the dark heart of the Windy City. Together they hunt for kidnappers, a killer preying on young humans, and vicious vampire junkies. However, dealing with murderous humans and vampires alike is easy compared to figuring out if there's more to their relationship than hot, kinky sex. Warning: Fangalicious man-on-man action, a troublesome twink, cross-dressing vampiress, and role-playing involving a fedora.
