Soon after arriving, Leigh and the girls stumble upon some cartel carnage—a bloodbath of debauchery that makes even their wildest desert part of sex, lies, and bloodshed. Everything changes when Leigh makes the acquaintance of Guero, a cartel kingpin who is none too pleased with her newfound lust for blood money. These vengeful coeds aren't on campus anymore, and after Guero lets them know just how serious he is, they make a run for the border no one will ever forget.
