

Canada is probably the last place you'd expect to find an American spy. And it was the last place CIA operative Talia Reynolds expected to run into fellow operative Brand Copley. AKA her new boss. AKA her ex-boyfriend. Just the guy every woman wants to face in the middle of planning her wedding. Once again, Talia's lying to the man she loves, but this time, to protect his heart. After Brand takes over Talia's latest case and steals her newest agent, he assigns her to spy on her old boss--who's suddenly giving her every reason not to trust him. With only weeks until the big day, planning falls by the wayside as she goes into damage control mode. But when Talia discovers Brand's real motives, fighting him is the only option, no matter what the personal and professional cost.
