For Commander Cassidy Hart, staying alive is only one of her day-to-day problems. As a newly minted Senator of the State of California, she must travel to Monterey Bay with the hope of bringing an agreement between the militia forces and the Pacific Northwest Alliance as the United States desperately battles against the shadow invasion forces of Omega. But Monterey is not what it seems. The threat of another Omega attack is imminent, and Commander Chris Young - the love of Cassidys life - is not the only important person who is keeping secrets.
