Preview: Money Making Mom by Crystal Paine is a finance guide that encourages women to generate greater income streams through creative, entrepreneurial business ideas. It lays out ways for women, especially those who have left the workforce or are interested in balancing work with family, to discover business ideas, create and implement an action plan, network with other entrepreneurs and professionals, market their product, and generate sustainable growth. The long-term idea is for women to achieve stability and financial freedom so that they don't feel constantly desperate and worried about money. The advice is grounded in Paine's own struggle to help her family make ends meet and in her personal experience starting a blogging business from scratch. It also draws on a number of stories of other women, many of them Paine's readers, who share their mistakes, struggles, and advice on building successful startups.
