

A third collection of stories from critically acclaimed and award-winning author Laird Barron, and the winner of the 2013 Bram Stoker Award for Superior Achievement in Fiction Collection. Over the course of two award-winning collections and a critically acclaimed novel, *The Croning*, Laird Barron has arisen as one of the strongest and most original literary voices in modern horror and the dark fantastic. Melding supernatural horror with hard-boiled noir, espionage, and a scientific backbone, Barron's stories have garnered critical acclaim and have been reprinted in numerous year's best anthologies. His work has been nominated for multiple awards, including the Crawford, International Horror Guild, Shirley Jackson, Theodore Sturgeon, and World Fantasy awards. Barron returns with his third collection, *The Beautiful Thing That Awaits Us All*. Collecting interlinking tales of sublime cosmic horror, including "Blackwood's Baby," "The Carrion Gods in Their Heaven," and the World Fantasy Award-nominated "Hand of Glory," *The Beautiful Thing That Awaits Us All* delivers enough spine-chilling horror to satisfy even the most jaded reader.
