

A necessary plan for a secure and comfortable retirement. Everybody wants to retire with personal and financial peace of mind. But the question is always; will there be enough money to fund a comfortable lifestyle? That's where this book comes to the rescue, addressing every conceivable concern - from healthcare to Social Security - about setting up a sound plan for retirement. And it's never too late to start. The Centre for Retirement Research at Boston College reports that 43% of Americans fall short of their pre-retirement income. Robert Powell of MarketWatch agrees that Americans have little set aside for retirement. Written by a nationally recognised financial expert. Perfect for the nearly eight million baby boomers approaching retirement
