

Now published on a biannual basis, this reference book is packed with more than 5,000 company entries from across the country. The Entertainment Sourcebook is an insiders guide to finding any item imaginable, be it a Civil War sabre, an animal to rent, a Greek fishermans hat, authentic Amish clothing, 19th-century chandeliers, or human skulls. Whether you need African imported goods, china, crystal and glassware, or plumbing supplies and fixtures, this book includes the resources you'll need to find them. In addition to the hundreds of pages of products and services listings organized by category, this edition features a company index, a product index, and appendices that include Web resources, support services, professional organizations, and more. The Entertainment Sourcebook 2009 is useful for anyone planning an event (even a wedding!) and indispensable for those who work in theatre, film, television, opera and print photography.
