

Alice Lovesey was a poorly mistreated scullery maid whose desperate plea for help miraculously summoned Wadham Halls rakish eighth duke - summoned him from the dead! Though caught up in the delights of being newly materialized, the duke promised to return the favor by helping Alice become a lady of quality. But did Alice's heart stand a ghost of a chance now that she had lost it to a restless spirit? ABOUT THE SERIES Countesses, Marquises, Lords and Ladies, Viscounts and Princesses all meet in the Royal series where they at once both live and try to avoid lives of scandal and sin, where love - we pray - trumps all but revenge is sometimes the name of the game, especially if inheritance, notoriety and fortune are part of the hand. Here, many threads are skillfully interwoven in a highly entertaining series that never fails to please or fall short of its mark.
