

In the blink of an eye it was over, but the curse of the night sky remained. Without their mighty technology, they went on with the slaughter, bloody hand to bloody hand. Until the problem became too obvious to ignore. 9 out of every 10 were infertile, and the brilliant men of science had arrogantly failed the world again. Populations collapsed. 500 years passed and the curse only grew worse. Those that survived in peace were simply too remote for those who lived by the ways of war to reach. A band of refugees hears rumors of a village with a young seer, a paradise of sorts. It will be a long and hard fight to get there, but at least there's hope. But is hope alone enough? The Heredity of Hummingbirds is in the Hummingbird series and follows where Hell from a Well leaves off, but also stands alone like all the rest.
