

He'd come for the baby and his ex-wife. Naomi Sinclair had once fallen hard for Andreas Sarantos. Marrying the irresistible Greek venture capitalist had seared her soul with pleasure and despair. For she soon discovered he was incapable of love. Now her ex-husband is back to claim her orphaned ten-month-old niece. Andreas let Naomi get away once. But adopting his best friend's baby girl gives him the leverage he needs to bring his unwilling ex-wife back to his bed. Will having the only woman he's ever wanted erase the scars of his dark past? Or will he lose Naomi, this time forever?
