

Every step has a consequence, every movement a tragedy in the making... Jito is a Threader, a powerful magic-wielder who can twist the fates of men in her hands – literally. When her latest contract takes an unexpected turn, she is forced to bide her time in dangerous terrain, fending off furious forest spirits, marauders, and a devilish demon with a nose for trouble. At some point, even boundless power meets its match. The question for Jito is: can she hold out long enough for her comrades to return... and return alive?
