

Eloisa James, a New York Times bestselling romance author of *When Beauty Tamed the Beast*, puts a chilly, powerful duke in bed with an intelligent, beautiful woman his wife. In name, anyway. No man can resist Jemma's sensuous allure ... Except her own husband! Wedding bells celebrating the arranged marriage between the lovely Duchess of Beaumont and her staid, imperturbable duke had scarcely fallen silent when a shocking discovery sent Jemma running from the ducal mansion. For the next nine years she cavorted abroad, creating one delicious scandal after another (if one is to believe the rumors). Elijah, Duke of Beaumont, did believe those rumors. But the handsome duke needs an heir, so he summons his seductive wife home. Jemma laughs at Elijah's cool eyes and icy heart but to her secret shock, she doesn't share his feelings. In fact, she wants the impossible: her husband's heart at her feet. But what manner of seduction will make a man fall desperately in love ... with his own wife?
