

Kateri is the responsible one amongst the Surreal Sisters, a family that makes the Addams Family look like the Gilmore Girls. Tired of dating men who take advantage of her take-charge nature, shes on the lookout for an alpha male...but a disastrous date with a werewolf has made her skittish. Against her better judgement, she goes out with the hot yoga instructor that has been frequenting her coffee shop. Shes surprised to find he has the forceful nature--and coils of rope--that can give her what shes been craving. This cat does it downward doggie style. If you dont like sexy shifters, move along. If laughing out loud makes you cranky, youre in the wrong place. If you like your heroines weak and clumsy, youll probably be happier somewhere else.
