

I cant take it anymore. Love, L writes Paul Embrys wife of less than a year on the envelope of an electric bill. Thus begins the late summer and fall of Paul Embrys discontent as he struggles to come to grips with the ambivalence he feels about his marriage that this act of his young wife generates in him. In phone conversations with her, later, Paul learns that she has fled to San Francisco, California; he comes to discover that her motive is to catalyze a change in their lives, to induce him to pull up roots from the town where he was born and lived all his life, to begin a new life in a new city, far from the stultifying influence of the depressed New Hampshire mill town where they had married and were living.
